A LIBERAL VICTORY FOR THE SOUTHAMPTON SEAT.

The Result of the Election Creates a Sensation in London as the Conservatives Confidentially Expected to Retain the Seat.

LONDON, May 23.—The parliamentary election at Southampton to-day resulted in a victory for the liberals, Mr. Evans, the liberal candidate, receiving 5,151 votes, and Mr. Guest, the conservative, 4,299. The vacancy was caused by the promotion of Admiral Commerell, a conservative, to the command at Portsmouth. The news of the liberal victory caused a sensation in this city. The conservatives had made strenuous efforts to retain the seat. Mr. Evans was absent in America during the progress of the canvass, but his wife and son worked hard in his behalf.

At the last election, when two members were chosen, stood A. G. (conservative), 5,623; Admiral Commerell (conservative), 4,729; H. J. Cooley (home master), 4,884; J. C. McCormick (home ruler), 4,704.

Fourteen Chinnamen were landed at Melton to-day on payment of poll tax.

The new South Wales court has granted writs of habeas corpus to the Chinnamen ordered to pay poll tax and ordered their release, saying that the government has no right to exclude foreigners.

GERMANY'S ROYAL WEDDING.

The Princess Irene Met by the Royal Family and Cheered by the People.

BERLIN, May 23.—The popular and impressive throng the streets of Berlin at this evening in a closed carriage. They received an unanimous ovation from the crowd lining the streets. The *Reichszeitung* announces that the order of the Red Eagle has been conferred upon Prof. Virchow, with the star and rank of second class in the order.

The Princess Irene, accompanied by her father, her brother, and wife, left Darmstadt to-day. On her arrival at Darmstadt they were met by the official escort.

Reception. They proceeded to Cassel, following the arrival of the emperor.

On reassembling the convention chose Senator Minnich permanent chairman. He would bring up and propose a measure to bind the representatives of the people in Congress. It was a sorry day for the Democracy when it was ruled by millionaires and dominated by the power of wealth.

Mr. T. H. H. Newell, of Boston, the president of the Democratic party, and the leaders of the northern assembly, agreed to bind the representatives of the people in Congress, who were responsible to their constituents, and not to the convention, and one could not be bound by any such resolution.

After a very animated discussion the original platform was adopted in the committee.

In the committee Mr. Saunders introduced a plank, substantially that of the first plank of the New York platform, explicitly approving the President's measure to bind the representatives of the people in Congress.

Another plank of the New York Equitable Life Insurance Company at Dublin, has disappeared. Defalcations have been discovered.
